

New Internet Banking (OBDX) Educative series-I

1. Introduction:

The existing version of Internet Banking FCDB has been in use since 2014. To be in tune with the changing needs and requirements of users and trends in the market, the need to revamp our Internet Banking has been felt and OBDX as a new Internet Banking platform has been adopted.

2. Login Screen:

The users can access the new Internet Banking page from the URL <https://online.canarabank.in>. The users have to use their existing User ID and Login Password for Logging.

3. Create/Reset Login Password:

In case the User forgot his Login Password, s/he can use this option to reset it. Click on the “Create/Reset Login Password” option available on the login page as shown below

A new window will be opened & the user has to enter user ID, Date of Birth, Type of user (Retail or Corporate), the Account Number and any of (Pan Number/Passport/Aadhaar Number/Debit Card Number) these. User has to enter New Password then Confirm Password. Once all the Details are entered, User has to Click on **Continue** button and enter the OTP received on the Registered Mobile Number followed by **Submit** button.
